

An Introductory Course in KABBALISTIC HEALING: A Path to an Awakened Soul

NEXT CLASS STARTING SUNDAY, APRIL 20, 2008

Kabbalistic Healing provides a map or framework for understanding the nature of Reality and for connecting to the Source of Life. Rick Gondelman is offering a six session introductory course on this profound and transformative approach to healing and spirituality that is based on Jason Shulman's book, *Kabbalistic Healing*, published in 2004. During the course, we will explore:

- The four kabbalistic universes in which we live (including the physical, psychological and spiritual universes)
- How the view from each universe profoundly impacts how we see the world and live our lives
- A non-dual approach to life that supports and strengthens our ability to live more consciously and that heals our body, mind, and spirit
- One of the fundamental kabbalistic healings called the Healing of Immanence

The cost of the course is \$216. For more information or to register for the course, **please contact Rick Gondelman at (202) 744-1152 or rfgondel@cox.net**. The six 2-hour sessions will be held on Sundays from 3 pm to 5 pm in either the District of Columbia or northern Virginia.

Private kabbalistic healing sessions are also available.
